The specific companies identified herein may not represent all of TCG or The Chernin Group's portfolio companies. For example, The Chernin Group's portfolio companies in Asia and those entities associated with Chernin Entertainment are not referenced herein. No assumptions should be made that any companies identified were or will be profitable. Past performance is not a guarantee of future results and it should not be assumed that results for historical portfolio companies will be achieved for current or future portfolio companies. The list above was prepared as of 3/31/2025.
